Comfortably close
- Super Lift & Cut technology

Shaves even the shortest stubble
- Precision Cutting System

Perfect moustache and sideburn trimming
- Precision tube trimmer

PHILIPS
sense and simplicity

Electric shaver with Flex & Pivot Action
Special Edition

RQ1053/18

Highlights

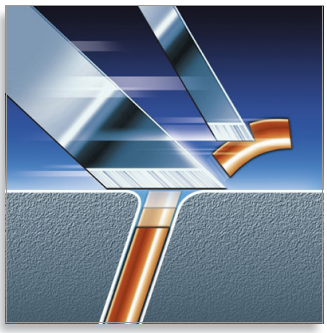
Flex & Pivot Action

Three independently flexing heads in a shaving unit that swivels with a full range of motion. This unique combination ensures optimum skin contact in curved areas to catch even the most problematic neck hair.

Triple-Track shaving heads

The three shaving tracks of the Triple-Track shaving heads offer 50% more shaving surface than standard, single track rotary shaving heads.

Super Lift & Cut technology



The dual blade system lifts hairs to cut comfortably below skin level.

Precision Cutting System

Ultra thin heads with slots to shave the long hairs and holes to shave even the shortest stubble.

Precision tube trimmer

Patented tube trimmer technology for great precision and maneuverability. Perfect for contouring and trimming moustache and sideburns.

Washable shaver

The waterproof shaver can be easily rinsed under the tap.
